

Dear Visitor,

Welcome to our online prophetic experience with you in mind. Here at On Eagles Wings International Prophetic Ministries, we value your visit and we trust that we have provided you with your every prophetic ministry need, should there be anything that we have not foreseen, please do not hesitate to contact us.

Our exciting pages of ministry will leave you in no doubt as to our ministry to you, we pray that you will engage in our many services and that we will be a blessing to you. This ministry is called and dedicated to your spiritual advancement in the kingdom of God. Our various divisions of ministry are all for the edification, direction and equipping of the Believer in Christ.

Whether you need to discover or enhance your destiny and ministry in Christ, this is a ministry that will encourage and equip you in your walk with God. Do you know what the purpose of your life is? Discovering this knowledge begins with accepting Jesus Christ as your Lord and Saviour. God wants a personal relationship with you, guiding and loving you, He wants only the very best for your life in Christ.

Spanning nearly three decades of ministry, what began as a small village caring and refuge ministry, painstakingly transitioned into an international itinerant ministry. Through the many years On Eagles Wings became an internationally recognised apostolic-prophetic ministry providing the current areas of ministry to the Body Of Christ.

Shalom
Neil
